

Poor Clare Sisters of Perpetual
Adoration

Our Lady of Joy has contributed \$5,000 towards the building fund for the Our Lady of Solitude chapel being built in Tonopah, Arizona.

These sisters are a Cloistered Community of Contemplative Nuns currently living in Black Canyon City.

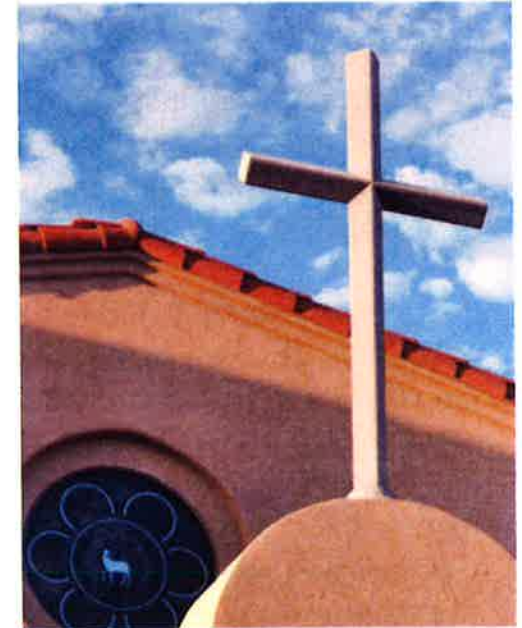

For more information on these wonderful religious who pray for us, please visit their website at www.desertnuns.com

**Our Lady of Joy
Social Outreach
Committee**

Committee Purpose:
To identify, evaluate
and provide
assistance to
underfunded
Catholic
organizations within
the Diocese of
Phoenix.

Social Outreach Committee

Making a difference...Based on the biblical principal of tithing, Our Lady of Joy is committed to using 10% of its annual plate income to reach out and try and “make a difference”. 10% of every dollar you contribute to our parish will go into our Social Outreach Fund.

The Social Outreach Committee identifies, evaluates and provides assistance to underfunded Catholic Organizations within the Diocese of Phoenix. Over the years we have provided desperately needed assistance to a wide variety of worthwhile and very grateful organizations.

Our Social Outreach Committee is an example of our parish-wide commitment to stewardship. Our Parish makes a real difference in the lives of people.

St. Louis the King Catholic School

St. Louis the King School is at 43rd Ave and Maryland in Phoenix. The parishioners and students of this community are very poor.

A grant of \$20,913 was provided for to repair 2 portable classroom roofs.

St. Mary Mediatrix

St. Mary Mediatrix Catholic Parish in Yarnell had a newly assigned priest who did not have a rectory to live in. Our outreach gave them \$15,500 to remodel an old trailer so that it was livable for their new pastor.

Most Holy Trinity, \$31,800: To finish their 2nd phase of replacing all of the doors and adding safety locks on the south buildings. This enabled MHT to have secure doors and provided the protection necessary to keep their children safe and to be in compliance with their crisis plan.

Queen of Peace Catholic School \$16,400: The Pre-K through 8th grade students had nowhere to play sports, have PE or just run except on old asphalt. This money was used to install irrigation lines so that the school could have green grass for their children to play outside.

St. Augustine Catholic Parish, \$4200: In this parish community; the number of students going through Religious Education classes was almost 900 students. They were in desperate need to get small tables and better chairs so they could accommodate the largest number of students in each classroom. This money allowed them to fill all of their classrooms with new chairs and tables.
