

LIFE TEEN IS BACK!

Life Teen is back for High School Youth Ministry but we look a little different this year.

DEAR PARENTS,

Sometimes God gives us opportunities in times of adversity. During this time of pandemic we have faced many challenges which makes it hard to seek the unique opportunities that lie ahead of us. In 2020-2021, Life Teen at Our Lady of Joy will be challenged like never before and we want your teen to join us for the ride! God has challenged us in ministry to embark on an adventure of a lifetime, to reach teens during a pandemic and to help them grow closer to CHRIST! And here is how we are going to do it:

WHAT TO DO

Register your High School student for Life Teen 2020-2021 to receive exclusive content all year for your teen.

Through virtual bi-weekly Life Nights, We will engage your teen with timely topics, deep conversations and powerful prayer. Now, more than ever, young people need an outlet to express their fears, doubts and anxieties. We at Life Teen will teach them how to leave those worries at the Cross and to live in the PEACE that God designed for us through prayer and faith formation.

The schedule is subject to change. Your teen's safety is our number one priority at Our Lady of Joy, and as soon as it is safe to do so we will meet in person for Life Teen again! Register today to stay connected with Life Teen so you know when in-person Life Teen starts back up again.

FACTS

Life Teen will meet bi-weekly in age appropriate small groups on Google Meet. Your age assigned small group will be designated on the calendar:
Sophomore/Freshman Session
Junior/Senior Session

Both small groups will meet every other week for topics related to their age group. Each session will always include activities, games, challenges, prizes and powerful prayer.

Outside of virtual Life Nights your teen will have exclusive access to content, powerful prayer nights and monthly in-person events starting in October and more.
