

FINANCIAL AGREEMENT STATEMENT 2026-2027

STUDENT'S NAME _____ **Class Enrolled in** _____

I understand that my family's balance needs to be zero (0) by June 5th, 2027. Please refer to the Financial Information found in the registration packet and school handbook. Parents/legal guardians are financially responsible for all school finance: Full Tuition, fees, etc. is due in full regardless of vacations, absences, withdrawal, etc. or the number of weeks in the school year per your financial agreement form. Parents/legal guardians understand that the yearly full tuition is agreed upon in the financial agreement. Parents may choose options to make those payments (one time, semester, monthly), but the full yearly amount is what is owed for each student. Please note the following: there are no make-up days for your child's absence. Any possible refunds are based on the Director's discretion.

Financial Delinquency states: Students will not be permitted to register at another Catholic school within the Diocese of Phoenix until all financial obligations at their current or previous Catholic school within the Diocese have been met. Please check with the school to verify that families do not have outstanding obligations before accepting transferring students.

I understand that I am responsible for all the school fees (registration, uniforms, etc.) not included in my child's tuition. A fee of \$25.00 will be added to run tuition again if funds are not able to be pulled. If any outstanding balance occurs over 30 days, enrollment of your child will be in jeopardy. If your family has financial hardship, please meet with the Director.

I have chosen the following agreement for payment of tuition. Please initial your choice.

_____ (Plan A) I understand that tuition payments are to be made monthly **September-June**. When paying monthly, tuition payments are based on **10 months**. All monthly payments are due the 5th day of each month.

_____ (Plan B) Two Semester payments due September 5, 2026 and January 5, 2027 (Divide the full tuition amount in half and that will be the amount due in September & January)

_____ (Plan C) Pay Tuition in full – Due September 5, 2026
